WINTER 2011—2012

Barnegat Light's New Gazebo

So many generous contributors have made the James "Moose" E. Morrison memorial gazebo possible. It stands beautifully at the bulkhead area of Bayview & 7th Street. This is a lovely place to sit for awhile and enjoy the magnificent sunsets over the bay.

Our 2012 concert series will be held here. And with still some final touches to be added we're anticipating many will enjoy their wedding ceremonies in this special place.

It seems that our first full year of Single Stream recycling has been a success. Combining commingled material with paper has made it much easier for you, the resident, to recycle. Please continue with your effort and maybe make one of your New Years Resolutions to recycle a little more in 2012. Please use the 2012 Trash & Recycling Guidelines to plan

your yard clean-ups for the upcoming year. Brush & leaves, that are out according to the guidelines will be picked up on the scheduled days. Remember to call the Borough Hall to schedule electronic pick-ups & pick-ups for items that contain Freon. Christmas trees, free of decorations and garland, will be picked up on the scheduled brush pick-up day, January 11th.

Please call the Borough Hall if you have any questions or need more information.

Recycling Coordinator

BOROUGH OFFICE PERSONNEL CHANGE

As of January 1, 2012, Brenda Kuhn will be our new Tax Collector. She comes to us with all the skills and expertise to handle this important position. Welcome Brenda.

Joan Marcus has, so competently, served the Borough in this position for eight years. She and her husband, Matt, have moved to Florida. We will miss her and wish them all good things.

Emergency Management

If you or someone in your household is mobility or hearing impaired please contact the Borough Hall and ask to speak to Kathy Guerrero. We maintain a confidential list that we use in the time of an emergency to assist any residents that may need help during an evacuation. We also have a special procedure for hearing impaired residents in case of a siren failure for an emergency at Oyster Creek to make sure they receive the required information.

DATES TO REMEMBER

WINTER 2011 -

VOLUNTEERS ARE NEEDED FOR BARNEGAT LIGHT'S FIRST AID SQUAD & FIRE COMPANY

ALL DOGS MUST BE LICENSED BY JANUARY 31, 2012.

RABIES CERTIFICATES MUST BE GOOD THRU THE END OF OCTOBER, 2012

LICENSES MUST BE CURRENT TO ENJOY THE DOG PARK ON WEST 10TH STREET

Many of our home owners are here with their dogs on weekends and during the summer. May we suggest that you consider double licensing your pet. This way, if your dog was to get away from you, the police, Borough office or the Animal Control Officer would know where you are in Barnegat Light. Having a license here might eliminate having your dog go to the Animal Shelter in Manahawkin. Call the Borough office for more information, 609-494-9196. Also, enjoy the Dog Park located on West 10th Street!
