Discussion: Mayor Larson said he missed the last meeting and he would have been the tie breaker on the vote for the wildlife feeding ordinance. He said that we would let that ordinance die but possibly introduce a new wildlife feeding ordinance but add that the LBI Health Department would make the determination if there was a real problem. There was a lot of discussion on this topic and there were clear opposition from the council. The next topic that was discussed was the ordinance that was up for second reading, public hearing and adoption tonight. The ordinance would require that sellers of real property would be required to uncover their water meter pit for inspection. If the meter pit wasn't adequate the seller would be required to replace the pit, at their expense, prior to being issued a CO for the sale of the property. There was a lot of discussion about the pros and cons of this ordinance. The Council also discussed the water meter replacement project. They said that the project would be put out to bid.

Mayor Larson asked for a motion to close the Caucus. On a motion by **Foley**, seconded by **Spark** and carried by all the Caucus Meeting was closed.
